

# ***Host Duties for Sinners' Dinners/Grace Dinners at St. Timothy's Episcopal Church***

## *Duties of a Meal Host:*

- 1. The person volunteering "to host" each planned meal ensures that all members of the group are notified of the meal's place, date and time, as well as soliciting input from the other participants on what they'd like to bring.*
- 2. Maintain a list of what each member will bring and remind them about a week before the meal to minimize confusion.*
- 3. If the anticipated attendees do not comprise a full dinner group, as host we hope you can invite additional folk to fill-out the dinner in your home. This is a good way to introduce folk to Sinners Dinner.*
- 4. Arrange for the meal to begin with a prayer.*
- 5. At the conclusion of the meal, while the group is together, ensure the members agree upon the date, time and place for the next group meal.*
